GABRIEL W. GORENSTEIN, United States Magistrate Judge

In light of the fact that the mandate has not issued, the Court's order docketed as #434 is hereby vacated. The Court notes that once the mandate issues, it will expect the PBA to file its pleading promptly thereafter. Similarly, once the mandate issues, the parties will be expected to promptly attempt to reach agreement as to the discovery relevant to the PBA's pleading and the date it will be provided. In light of the vacatur, the request for an extension of time reflected in Docket # 454 is now moot.

SO ORDERED.
